A peek inside...

Hello everyone. I hope everyone has had a great week. We've had another busy week of learning in our K/1 class. Monday is school picture day. Don't forget to send in your money in the picture envelope if you are planning to order

pictures. All students will have their pictures taken for school year book and class composite purposes. It is totally optional if you want to order pictures of your child.

Next Wednesday (Oct. 19th) is Unity day. The staff will be wearing orange to show support against bullying. If your child would like to wear orange that day it would be great!

Just a heads up, I will be out of the classroom all day on Thursday so there will be a sub.

Next Friday is our field trip to A.J's Farm. We will be leaving the school at 12:00 and returning to school roughly around 2:30. If you are planning to attend the field trip, even if you plan to drive yourself and meet us there, you will need to fill out the required background check paperwork from the office. You can stop in the office to pick up the required paperwork at any time during school hours.

SCIENCE: We wrapped up our unit on the 5 senses by reading a weekly reader together about "Rotten Pumpkins".
